Anglo American Internships 2026/27 Apply Here

Description

As an Anglo American intern, you will be an integral part of a dynamic and globally-minded team, gaining insights into various aspects of the mining business. Interns will have the opportunity to work on impactful projects, collaborate with experienced professionals, and contribute to the sustainable development goals of the company.

Responsibilities

- **Project Participation:** Engage in real-time projects that align with Anglo American's strategic objectives, allowing you to apply classroom knowledge to practical, industry-specific challenges.
- **Mentorship and Guidance:** Benefit from mentorship by seasoned professionals who will provide guidance, share industry insights, and help you develop essential skills for a successful career in mining.
- **Cross-Functional Exposure:** Rotate through different departments and functions within the organization to gain a holistic understanding of the mining industry.
- **Learning and Development:** Participate in tailored training sessions, workshops, and seminars that focus on both technical and soft skills development.
- **Networking Opportunities:** Build a valuable professional network by connecting with colleagues, mentors, and industry experts, opening doors for future career opportunities.

Qualifications

- Currently enrolled in a relevant undergraduate or postgraduate program.
- Strong academic record with a focus on fields such as Mining Engineering, Geology, Environmental Science, Business, Finance, or related disciplines.
- Excellent communication and interpersonal skills.
- Demonstrated passion for the mining industry and commitment to sustainability.

Job Benefits

- **Professional Development:** Engage in a structured learning environment that fosters continuous growth. Benefit from hands-on experience, mentorship, and a variety of training programs to enhance your technical and soft skills.
- **Industry Exposure:** Gain valuable insights into the mining industry by working on real projects and collaborating with experienced professionals. Interns at Anglo American have the opportunity to contribute to the development of essential metals and minerals that play a crucial role in societies worldwide.
- **Global Network:** Build a diverse and extensive professional network by connecting with colleagues, mentors, and industry experts. Our global presence provides interns with the chance to interact with professionals from various regions and cultures, expanding your perspective and
