- Assist in monitoring and maintaining the efficiency and quality of packaging operations.
- Participate in safety protocols and ensure adherence to all safety regulations and procedures.
- Collaborate with team members to achieve production targets and deadlines.
- Troubleshoot basic equipment issues and perform minor maintenance tasks under supervision.
- Engage in continuous learning and development activities to enhance packaging skills and knowledge.

Qualifications

- Minimum educational requirement: Grade 12 (Matric) certificate or equivalent.
- Passion for the manufacturing industry and a desire to learn about packaging processes.
- Strong attention to detail and commitment to quality.
- Excellent communication and teamwork skills.
- Ability to work effectively in a fast-paced environment.
- Willingness to work flexible hours and shifts as required.
- South African citizenship or permanent residency.
- Previous experience or qualifications in manufacturing or production (preferred but not required).

Job Benefits

- Hands-on training and experience in a world-class manufacturing environment.
- Opportunity to work with iconic brands and cutting-edge technology.
- Competitive stipend or salary during the learnership period.
- Potential for career advancement and long-term employment opportunities within Coca-Cola.
