Film and Publication Board: Internships (2026 / 2027) Apply Online

Description

FPB offers diverse internships across various departments, providing exposure to the regulatory processes in the film and publication industry. Interns will work under the guidance of experienced professionals, contributing to FPB's mission of protecting children from exposure to harmful content and ensuring responsible media consumption.

Responsibilities

- Assist in the classification and rating of films, publications, and games.
- Support research initiatives on media content and its impact on society.
- Collaborate with teams to review and analyze content submissions.
- Aid in the enforcement of compliance with regulatory guidelines.
- Participate in departmental meetings and contribute innovative ideas.
- Engage in training sessions to understand classification protocols and standards.

Qualifications

- Pursuing or recently completed a degree in Media Studies, Law, Communications, or related fields.
- Strong analytical skills and a keen interest in media regulation and classification.
- Excellent communication and critical thinking abilities.
- Ability to work effectively in a team and adapt to a dynamic work environment.
- Passion for safeguarding children and promoting responsible media consumption.

Job Benefits

- Practical Exposure: Gain firsthand experience in media regulation and classification.
- Mentorship: Learn from industry experts and professionals in the field.
- Networking: Connect with diverse teams and industry stakeholders.
- Skill Development: Enhance analytical and regulatory skills in media governance.
- Contribution: Contribute to the FPB's mission of protecting audiences from harmful content.
- Potential Growth: Opportunity for future career prospects in media regulation.
