- Assist in preparing financial statements, balance sheets, and income statements.
- Conduct financial analysis and assist in identifying trends, discrepancies, and opportunities for improvement.
- Collaborate with cross-functional teams to ensure accuracy and completeness of financial data.
- Participate in audits and compliance activities, adhering to regulatory requirements.
- Assist in financial planning and forecasting activities.
- Contribute to special projects and initiatives within the finance/accounting department.

Qualifications

- Currently pursuing a Bachelor's or Master's degree in Finance, Accounting, or related field.
- Strong analytical skills and proficiency in Microsoft Excel or other financial software.
- Excellent attention to detail and organizational abilities.
- Effective communication and teamwork skills.
- Ability to adapt to a fast-paced and dynamic work environment.
- Prior internship or relevant work experience is a plus, but not mandatory.

Job Benefits

- Hands-on experience and exposure to diverse financial functions within the mining industry.
- Mentorship and guidance from seasoned professionals.
- Networking opportunities within the company and the broader industry.
- Potential for career growth and consideration for full-time positions based on performance and availability.
