Investec: Tech Graduate Internships 2026/27 Apply Here

Description

Investec is seeking highly motivated and talented individuals to join our Tech Graduate Internship program. As a Tech Graduate Intern, you will have the opportunity to work alongside seasoned professionals in the technology and finance sectors. This internship provides a unique chance to gain hands-on experience, contribute to real projects, and develop the skills necessary for a successful career in the rapidly evolving field of technology within the financial industry.

Responsibilities

- **Project Support:** Collaborate with cross-functional teams to contribute to ongoing technology projects, gaining exposure to various aspects of software development, infrastructure, and IT operations.
- **Learning Opportunities:** Participate in training sessions, workshops, and mentorship programs designed to enhance your technical skills and industry knowledge.
- **Problem Solving:** Analyze and solve technical challenges, actively participating in troubleshooting and finding innovative solutions.
- **Collaboration:** Work closely with experienced professionals, fostering a collaborative environment that encourages knowledge sharing and team success.
- **Professional Development:** Take advantage of networking opportunities within Investec and the broader industry, building valuable connections for your future career.

Qualifications

- Recent graduate with a degree in Computer Science, Information Technology, or a related field.
- Strong academic record and a genuine passion for technology and finance.
- Basic understanding of programming languages, software development methodologies, and IT concepts.
- Excellent communication and interpersonal skills.
- Ability to work well in a team and thrive in a dynamic and fast-paced environment.

Job Benefits

1. **Professional Development:**
 - Engage in comprehensive training programs and workshops to enhance your technical skills and industry knowledge.
 - Access mentorship opportunities with experienced professionals who will guide and support your career development.
2. **Real-world Experience:**
 - Gain hands-on experience working on impactful technology projects within the financial industry.
 - Contribute to projects that have a direct impact on the company's

Contacts

1. Visit the Careers Page:

- Navigate to Investec's official website and locate the "Careers" or "Join Us" section.

2. Explore Available Positions:

- Browse through the available internship positions, and specifically look for the Tech Graduate Internship program.

3. Review Job Description:

- Read the job description thoroughly to understand the requirements, responsibilities, and qualifications for the Tech Graduate Internship.

4. Prepare Application Materials:

- Update your resume to reflect your academic achievements, relevant coursework, and any previous experience or projects related to technology.
- Craft a compelling cover letter expressing your interest in the

internship, explaining how your skills and aspirations align with Investec's values and goals.

5. Compile Supporting Documents:

- Gather any additional documents, such as academic transcripts, certificates, or letters of recommendation, as required by the application process.

6. Create an Online Account:

- If required, create an account on Investec's online application portal. This may involve providing your contact information and creating a username and password.

7. Complete the Application Form:

- Fill out the online application form, providing accurate and detailed information about your education, skills, and experiences.

8. Upload Application Materials:

- Upload your prepared resume, cover letter, and any additional supporting documents to the application portal.

9. Submit Your Application:

- Double-check all the information you provided to ensure accuracy and completeness.
- Submit your application through the online portal by the specified deadline.

10. Confirmation Email:

- After submitting your application, you may receive a confirmation email acknowledging the receipt of your materials.

11. Wait for Response:

- Allow time for the Investec recruitment team to review applications. If your profile matches their requirements, you may be contacted for further assessments or interviews.

12. Interview Process:

- Participate in any scheduled interviews or assessments as part of the selection process.

13. Follow Up:

- If applicable, follow up on the status of your application after the designated timeframe. You can do this through the contact information provided in the application portal or by reaching out to the Investec HR department.

14. Acceptance and Onboarding:

- If successful, you will receive an offer of internship. Follow the provided instructions for onboarding and prepare for the exciting journey ahead at Investec.
