## Description

Johannesburg Water is offering exciting internship opportunities for individuals pursuing careers in Finance and Social Sciences. This program is designed to provide hands-on experience, mentorship, and exposure to the challenges and opportunities within the water utility sector. Interns will have the chance to contribute to meaningful projects, enhance their skills, and gain valuable insights into the intersection of finance, social sciences, and water management.

## Responsibilities

1. **Finance Internship:**
   - Assist in financial analysis and reporting processes.
   - Support budgeting and forecasting activities.
   - Collaborate with finance teams to ensure compliance with financial regulations.
   - Contribute to the development of financial models.
2. **Social Science Internship:**
   - Conduct research on social and community aspects related to water management.
   - Assist in community engagement initiatives and stakeholder communications.
   - Contribute to the development and implementation of social impact assessments.
   - Analyze social trends and recommend strategies for community development.

## Qualifications

- Currently pursuing a degree in Finance, Social Sciences, or a related field.
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal skills.
- Ability to work collaboratively in a team environment.
- Proficiency in Microsoft Office Suite.

## Job Benefits

- Hands-on experience in a leading water utility company.
- Mentorship from industry professionals.
- Exposure to diverse projects in finance and social science.
- Networking opportunities within the water sector.

## Contacts

1. **Prepare Your Application Documents:**
   - Resume: Include a detailed overview of your education, relevant coursework, skills, and any prior work or internship experience.
   - Cover Letter: Clearly state your interest in the internship program,

the specific internship area (Finance or Social Science), and highlight how your skills and academic background make you a suitable candidate.
    - Academic Transcripts: Provide copies of your academic transcripts to showcase your academic performance.
2. **Compose an Email:**
    - Address the email to the designated application email address, which is typically provided in the job description.
    - Use a professional and concise subject line that mentions the internship position and your name.
3. **Attach Application Documents:**
    - Attach your resume, cover letter, and academic transcripts to the email.
    - Ensure that the attached files are in a standard format (PDF or Word) and are clearly labeled with your name.
4. **Write a Brief Email Message:**
    - In the body of the email, briefly introduce yourself and express your interest in the Finance and Social Science Internships at Johannesburg Water.
    - Mention any specific details requested in the job description, such as the desired internship area.
5. **Send Your Application:**
    - Double-check that all required documents are attached.
    - Send the email to the provided application email address before the specified application deadline.
6. **Confirmation:**
    - If applicable, wait for a confirmation email acknowledging the receipt of your application. Some organizations may send an automated confirmation.
7. **Follow Up:**
    - If you don't receive a confirmation within a reasonable time frame, consider sending a polite follow-up email to ensure that your application was received.
