KZN DEpt of Public Works: In-Service trainee Programme 2026/27 Latest Opportunities

Description

Join us for an engaging In-Service Trainee Programme designed to provide practical insights and skills development in the field of public works. As a trainee, you will work alongside experienced professionals, gaining valuable knowledge in areas such as civil engineering, architecture, quantity surveying, or related disciplines.

Responsibilities

- Shadowing and supporting senior professionals in daily tasks and project-related activities
- Assisting with data collection, analysis, and reporting for ongoing projects
- Contributing to the planning and execution of infrastructure development initiatives
- Participating in site visits and inspections under supervision
- Collaborating with teams to support various aspects of public works projects

Qualifications

- Currently enrolled in a relevant field of study, pursuing a qualification that requires practical training.
- Strong willingness to learn, adapt, and contribute in a dynamic work environment
- Good communication skills and the ability to work effectively within a team
- Proficiency in basic computer applications.

Job Benefits

- **Hands-on Experience:** Gain practical exposure and apply academic knowledge in real-world projects within the public works sector.
- **Mentorship:** Receive guidance and mentorship from experienced professionals, enhancing learning and skill development.
- **Career Development:** Opportunity to build a network, explore various aspects of public works, and potentially secure future career prospects within the department.
- **Learning Opportunities:** Access to diverse projects and tasks that contribute to professional growth and development.
- **Industry Exposure:** Gain insights into the operations and challenges of the public infrastructure sector.
- **Certificate or Recognition:** Receive a certificate or acknowledgment upon successful completion of the programme, which can enhance your CV and future job prospects.
- **Stipend or Allowance:** Some trainee programmes offer a stipend or financial support to cover certain expenses during the training period.
