## Mercedes-Benz: IT Graduate Internships Latest Hiring 2026/27

### Description

Mercedes-Benz is seeking highly motivated and talented IT graduates for a dynamic internship opportunity within our Information Technology department. This internship aims to provide hands-on experience and exposure to various facets of IT operations, software development, cybersecurity, data analytics, and digital transformation initiatives within a leading automotive company.

### Responsibilities

- Collaborate with cross-functional teams to support IT projects and initiatives.
- Assist in software development, testing, and deployment activities under the guidance of experienced IT professionals.
- Contribute to data analysis and reporting tasks, leveraging tools and technologies to extract meaningful insights.
- Participate in cybersecurity protocols, learning about threat detection, mitigation, and best practices in ensuring system security.
- Engage in the implementation and support of innovative IT solutions aligned with business needs.
- Assist in documentation, troubleshooting, and providing technical support to end-users.

### Qualifications

- Strong interest and foundational knowledge in IT, including programming languages, databases, networking, and cybersecurity concepts.
- Excellent analytical, problem-solving, and communication skills.
- Ability to adapt, learn quickly, and thrive in a fast-paced, collaborative environment.
- Enthusiasm for innovation, technology trends, and a passion for the automotive industry.

### Job Benefits

- Valuable hands-on experience in a globally recognized automotive company.
- Mentorship and guidance from seasoned IT professionals.
- Exposure to cutting-edge technologies and innovative projects.
- Networking opportunities and the chance to collaborate with diverse teams.
- Competitive compensation and potential career growth prospects within Mercedes-Benz.

### Contacts

Please submit your resume, cover letter, and any relevant academic transcripts via our online application portal. Shortlisted candidates will be contacted for interviews.
