MSD: Graduate Internships (2026 / 2027) New Application

Job Overview

MSD offers exciting opportunities for graduate internships across various departments within our organization. As a graduate intern at MSD, you will have the chance to gain hands-on experience, work on meaningful projects, and contribute to our mission of improving global health.

Accountabilities

- Collaborate with experienced professionals to support ongoing projects and initiatives.
- Conduct research, analyze data, and present findings to contribute to decision-making processes.
- Assist in the development and implementation of strategies to address business challenges.
- Participate in meetings, workshops, and training sessions to enhance skills and knowledge.
- Engage in cross-functional teamwork to foster a collaborative work environment.
- Adhere to company policies, procedures, and ethical standards at all times.

Skills

- Currently enrolled in or recent graduate of a Bachelor's or Master's degree program in a relevant field (e.g., Science, Business, Engineering).
- Strong academic record with a passion for learning and professional development.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a team.
- Proactive attitude with a willingness to take on new challenges and responsibilities.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint, Outlook).
- Previous internship or work experience in a related field is preferred but not required.

Benefits and Perks

- Gain valuable experience and skills in a dynamic and innovative industry.
- Networking opportunities with professionals across various functions and levels.
- Exposure to diverse projects and challenges that will enhance your career prospects.
- Competitive compensation and potential for future career opportunities within MSD.

Application Process

To apply for a graduate internship at MSD, please submit your resume and a cover letter outlining your interest in the position and relevant qualifications. Selected
