Msinsi Holdings: SHEQ Graduate Opportunity 2026/27 New Hiring

Description

Msinsi Holdings is seeking a passionate and driven graduate to join our team in the Safety, Health, Environment, and Quality (SHEQ) department. This graduate opportunity offers a platform for learning and growth within the SHEQ domain, providing exposure to various aspects of safety, health, environmental conservation, and quality management.

Responsibilities

- Support the SHEQ team in implementing and monitoring safety, health, environment, and quality standards across Msinsi Holdings' operations.
- Assist in conducting risk assessments and audits to ensure compliance with regulatory requirements and company standards.
- Collaborate with different departments to develop and implement SHEQ policies and procedures.
- Participate in environmental conservation initiatives and projects aimed at promoting sustainable practices.
- Analyze data and contribute to SHEQ reports, identifying areas for improvement and recommending solutions.
- Engage in training sessions and awareness programs related to SHEQ practices.

Qualifications

- A recent graduate with a degree in Environmental Science, Occupational Health and Safety, Quality Management, or related fields.
- Strong passion for environmental conservation, safety, and quality standards.
- Knowledge or understanding of SHEQ principles and relevant legislation is advantageous.
- Excellent communication skills and the ability to collaborate effectively within a team.
- Analytical mindset with attention to detail.

Job Benefits

- Valuable hands-on experience in the SHEQ field within a leading organization.
- Mentorship and guidance from experienced professionals.
- Exposure to diverse projects in environmental conservation and safety management.
- Opportunity for career development and growth within Msinsi Holdings.
